ANNOUNCEMENT

During the fall of 1900 the writer made his first purchase of pedigreed live stock, At that time it was my ambition to raise only the best live stock of all kinds kept on the farm, and from that time until the present we have at all times maintained pure-bred cattle, hogs and poultry in our farming operations.

During all these years there has never been a time when we were unable to dispose of our surplus stock and as a general thing had demand for considerable more than we were able to produce at satisfactory prices, and probably our greatest satisfaction comes from the pleasure we have derived from the stock and the associations we have made during that time.

During the time we have been engaged in the business we have showed at many of America's leading shows and have hundreds of ribbons as proof of our success in the various competitions.

The writer believes in pedigree, and in presenting this catalogue I believe I am presenting the pedigrees of cattle which are not only ultra fashionable but whose sires and dams possessed special individual merit, with the result that the cattle in this offering are of a high order of merit.

The 7 imported cattle are a select lot and few better ones have ever been brought to America.

The get of Woodlawn Villager will demonstrate he is one of the great sires the breed has produced, and I know there will be cattle in this offering that will meet the demands of the most critical buyer, from the standpoint of individuality as well as pedigree.

THEO MARTIN.

PEDIGREES—A certificate of registry and transfer in the American Shorthorn Herd Book will be furnished for every animal. Certificates on application for calves at foot.

TERMS—Cash or bankable note, three or six months, interest 8 per cent. All stock will be loaded on cars after the sale without trouble to purchaser.

GUARANTEE—It is not customary to guarantee show cattle and young animals under breeding age, but we will stand back of our cattle when properly handled, making good any animal that proves barren. All have passed the tuberculin test and are sold subject to 60 day retest from date of sale.

AUCTIONEERS—Col. Carey M. Jones, Nelson G. Kraschel, Robt. Dejas.

TEST—Cattle will be tested and health certificates furnished to meet requirements of different states.
